**Altronix Repeats Superstar and Customer Service Awards  
At PSA-TEC 2016**

*Altronix's JR Andrews Accepts the Award from Bill Bozeman, President and CEO of PSA Security Network*

Brooklyn, NY (June 1, 2016) – A proven commitment to the highest standards of customer support excellence has once again earned Altronix Corporation the prestigious Superstar Award and a prized Customer Service Award at PSA-TEC 2016. This is the second year in a row that Altronix has received these prestigious honors and recognition from PSA Security Network. The Awards are determined by the PSA members and based on a wide range of factors such as ease of doing business, product quality and customer service excellence.

“Being recognized by PSA for two consecutive years is a great accomplishment that we are very proud of,” said Alan Forman, President, Altronix Corporation. “Having been recognized by this elite group of professionals is an endorsement of Altronix values and our commitment to the industry.”

“Altronix Corporation provides our mutual customers with continued high quality solutions and value, as is evidenced by their consecutive Superstar and Customer Service wins,” said Bill Bozeman, President and CEO of PSA Security Network. “Our congratulations to all at Altronix on this great achievement.”

The awards were presented to Altronix at this year’s Vendor Awards Luncheon at the 2016 TEC conference on May 10, 2016.

All Altronix products are made in the U.S.A. and carry a lifetime warranty.
