Miami, FL (September 3, 2020) – The Mission 500 Security 5k/2k annual fundraiser, which has traditionally taken place onsite at ISC West, is shifting to a virtual format so that we can continue to sustain support for children in need across the U.S.A. during these challenging times.

To participate, all runners/walkers must register for the Mission 500 Security 5k/2k virtual event, and if entering for the award categories, can track the results of their activity between Friday, October 2 and Wednesday, October 7 at 12pm EDT to submit their personal results on the honor system here: www.security5kreg.com.

All previously registered Mission 500 Security 5k/2k do not have to register again. If you have not registered yet, please register here: www.securitykreg.com.

A virtual 5k/2k Awards Ceremony, sponsored by AXIS Communications, will be held October 7th at 5pm EDT, on the final day of the ISC West Virtual Event. Registration for the virtual Award Ceremony can be found here:
