MISSION 50

About:

Mission 500 is a nonprofit 501(c)3 organization that works closely with the security industry to serve the needs of children living in severe poverty across the United States. Through corporate sponsorships and donations, the volunteer-driven initiative has distributed more than 13,000 book bags filled with school supplies to students attending Title One schools, provided almost 50,000 weekend meals to children who aren't promised a meal outside of a school setting, and most recently, donated 300 hope packs filled with school supplies and essential hygiene items for children misplaced by natural disasters. Mission 500 also serves as an advisory team for partners in Canada and Latin America. Through this partnership, Mission 500 LATAM is currently sponsoring 1,000 impoverished children around the world.

Our Mission:

We advocate for underserved children and families in the United States. We inspire companies and individuals towards excellence in their community service involvement and corporate sustainability initiatives. We mobilize resources to be used to help children and families across the United States.
